Photos of Our People

Death Valley Field Trip

People Photo Prizes

One of the treasures we bring home from Field Trips are photos/memories of our people on the trip. We use these for our "Show & Tell" parties and add selected photos for our Club's renowned Website.

1. We are requesting that each person going on this trip to make it a high priority to get photos of our people at Death Valley and **submit a minimum of 10 "Our People" photos**.

2. Our club doesn't "judge" photos or photographers for very good reasons.

3. So, unknown persons will "select" five photos as "representative" of our people for "prizes" that will be given away at our Show & Tell Party. Five people will receive these prizes but we may not connect these people to any specific photos.

4. All, or most, of "people photos" each person submits will be shown at our Show & Tell party and some of the photos may subsequently be included on our Website.

5. For our "Show & Tell" please organize your photos on a Memory Drive in 2 separate folders, one for "People" and one for "DV Trip". Include your name on the Drive or in the Folders.

Categories for prizes of Our People:

1. **Most humorous**
2. **People having fun**
3. **Most relaxed**
4. **Most serious**
5. **Most awkward photo shooting position**

Remember… It's a FUN ADVENTURE!
