Lanes 11 & 12 at 0845 for a 0900 departure.

Before then we will arrange car pools with a driver and a navigator in each vehicle. If you have arranged your own car pool contact Heather.

We need volunteer drivers and navigators and possibly a disability placard.

Final arrangements will be made day before at our
August 9th General Meeting in the Ballroom.

If you wish to follow each other that is fine, just keep a good distance from the car in front of you.

Virtual Reality 360 on swivel chairs near the exit is a real treat. However, because dizziness can be experienced, I requested that we be allowed to have a friend stand next to us. There will be staff managing the area and fitting the head sets. Those waiting their turn for the VR can visit the gift shop or become a Van Gogh ARTIST with paint by numbers and crayons. Bring home your pictures for display at the Kilaga sign in desk at September13 General Meeting.
