

Eleven "WOW Factor" Challenges, Let's do it!

1. "**Let There Be Light!**" Make two images of the same subject, pose/position to illustrate the power of light and the difference it can make on an image.
2. "**There are no stinking rules in photography**" (Tony Halas 2018) Try to make a strong, beautiful or WOW image while flagrantly breaking at least two rules of composition.
3. "**Take The Low Road**" With your camera on the ground, take one horizontal image and one vertical image creating a fun and different creative image.
4. "**The Shadow Knows!**" Take one or two shadow images that show some kind of action, emotion, humor or danger. Try to be creative!
5. "**Lines are powerful!**" Make 1 or 2 images illustrating the power of lines. Use any lines of your choice: horizontal, vertical, diagonal, receding, "S" curves or other lines of your choice?
6. "**Story telling**" **A picture is worth a 1000 words.** Make a WOW image that tells a story.

Hints: nature, sports, photojournalism, travel, special events

7. "**The Eyes Have It!**" Make an image that strongly emphasizes the eyes. People, animals, statues, murals and others?
8. "**Let The Light Shine Through!**" Back lighting, star bursts, God's Rays (crepuscular rays)
9. "**Mirror Images; Double your Pleasure**" Make a creative mirror image. The internet has many how to's on making a mirror image. They're fun!
10. "**Frame it & Shoot it!**" Shoot through windows, pipes, legs, cave, pool toys, plants Etc...
11. "**Let's Have Some Fun!**" Your choice, Photo editing programs, filters, composites, apps, etc... Limit two images.

Attention:
