

Booking a room at Asilomar Notes from Jim Sakaguchi - November 14, 2023

Below is a table showing room rates. There are three to choose from. If you choose senior rate under the promo code you will get a 15% discount. Nice part about the senior rate, is they allow for cancellation. Cancel more than 72 hours in advance and you receive a refund of your deposit. Cancel with less than 72 hours of arrival date you do forfeit your deposit. If someone wants more flexibility, they can pay a higher rate and the deadline is 24 hours. The yellow-marked column below would be a wise choice for most of us.

CHECK AVAILABILITY

Room notes:

No refrigerator in rooms, but you can rent one for \$10/day. Limited supply.

Coffee maker, none in the room but at check-in you can ask for one. Limited supply.

I would advise folks to bring their own non-perishable snack. And maybe an ice cooler.

Note: if you fail to apply the Senior or AAA rates in the Promo Codes section when booking, you will need to call the reservation desk for instructions; you need to do this well in advance of the check-in date and hope new reservations are still being accepted.

Fire Ring and group gatherings

We can't reserve a fire ring until the day of check-in. Priority goes to conference groups. Thus, we may have to meet up in other areas. There are many places to gather on large decks, lawns, and picnic areas. Also, the adjacent beach would be a great place to gather for sunset, stories, and celebrating the end of a great day.
